NORTHBOUND I-93 LANE CLOSURES
IN SALEM FOR BRIDGE REPAIR WORK

The New Hampshire Department of Transportation announces bridge repairs on two Interstate 93 bridges in Salem will require northbound lane closures for two days.

This deck repair and joint patching work is expected to take place on Tuesday, April 6 on the I-93 bridge over Pelham Road at Exit 2, and on Wednesday, April 7 on the I-93 bridge over NH Route 38. Work hours will be between 9:00 am and 3:00 pm each day.

Warning signs, cones and uniformed officers will help guide motorists through the work zones. Motorists are asked to use caution when driving through the work area. Some delays can be expected.

In the event of inclement weather, this work will be postponed until the next workday.
